Re:	Final Installation Check List		

Comment:

Hi Laura. Attached is the completed installation checklist. If there's anything else you need, please don't hesitate to give me a call.

I'd like to forward my thanks and appreciation to Tony and Bill. They did a fantastic job and were nothing but professional throughout the installation. Definitely good ambassadors for Ground Zero, and I'd like to personally request those guys if at all possible for the second half of our cleanroom this July.

The floor looks great and I look forward to the second half this summer.

Thanks!

Glenn
