

Ground Zero ESD Seating Warranties

At Ground Zero Electrostatics, we continually test our products to develop durable Ergonomic Seating. Our tougher standards insure users years of dependable service. We make the following three warranties, in lieu of all other warranties, expressed or implied:

Warranty 1: Unconditional 5-years

Any components of Ground Zero products that fails within five years will be repaired or replaced at no cost to the user. This means: **ALL MECHANICAL AND STRUCTURAL COMPONENTS OF** Ground Zero Electrostatics products are warranted to perform properly for five years.

CONDUCTIVITY on ESD products are warranted to meet industry standards for five years.

CUSHIONS, to include fabric or vinyl cover, resilient filling materials, and filter systems (on clean room chairs), are warranted for five years.

WARRANTY 2: Extended Care (years six to fifteen)

1. Replacements will be limited to structural components.
2. Replacements will be billed on a prorated basis, (10% of distributor net cost for pails purchased the 6th Year, 20% the 7 year etc.)

WARRANTY 3: Ground Zero Electrostatics will maintain an inventory of replacement pails for fifteen years after discontinuing any parts.

EXCEPTIONS: When products are used in multiple shift operations, warranties are prorated.
